TERMS AND CONDITIONS

1. Acceptance. No terms or conditions other than those set forth in this document and any document attached to or incorporated by reference in this document or other documents in which these terms and conditions are mentioned shall be binding upon Seller unless accepted in writing by a duly authorized representative of Seller. Acceptance of any goods delivered pursuant to this document shall be conclusively deemed acceptance of this document and its terms and conditions, and any additional or different terms included in Customer's purchase order, acceptance or acknowledgment shall be void and without effect. The materials, products, goods or services covered by this document shall be referred to herein as the "Goods." The sale and purchase of the Goods shall be governed by the Uniform Commercial Code.

2. Billing, Shipment and Payment. The purchase price, without offset for any reason, is due and payable in full in accordance with these terms and conditions and shall be paid by wired funds, certified check or other immediately available funds to Seller (a) upon delivery if sold uninstalled or (b) upon completion of installation by Seller. Completion of installation shall be deemed to occur when Seller certifies in writing that the Goods have been fully and completely installed. Seller shall have the right to render inoperable or remove all or any of the Goods in the event of Customer's failure to make payment as required by these terms and conditions, and these terms and conditions shall constitute a security agreement creating in favor of Seller a security interest in the Goods in accordance with the terms and conditions of the applicable Uniform Commercial Code. Customer authorizes Seller to sign all documents and to take all actions necessary to perfect the security interest granted by these terms and conditions. At Seller's election, Customer shall furnish to or for Seller's benefit prior to shipment of the Goods, a letter of credit executed by an acceptable financial institution agreeing to pay when due the unpaid purchase price in accordance with these terms and conditions. All overdue accounts bear interest at the rate of 19% per year. All charges for packing, hauling, storage, insurance and transportation to the point of delivery are excluded and will be charged in addition to the stated price for the Goods. Sales, use, value added taxes or excise taxes of any nature for which Seller may become liable, whether initially or through failure of payment by Customer, are in addition to prices listed. In the event of Customer's default, Customer shall pay attorney fees, collection fees and court costs incurred by Seller in enforcing its rights.

3. Delivery. Customer bears all risk of loss or delay in transit. The sale of Goods is deemed complete when the Goods are delivered to Customer, notwithstanding any arrangements to pay freight, express, post or other transportation charges. In the event of delay of, or failure to complete, delivery as a result of causes beyond Seller's control, Seller shall not be deemed to have breached its obligations hereunder. In the event of delay of, or failure to complete, delivery for any other reason or cause, Seller's liability shall be limited to the contract price, and Seller shall not be liable for incidental or consequential damages under any circumstances. Customer bears all risk of loss of or to the Goods delivered to Customer's facility, whether or not they are incorporated into Customer's real estate and Customer shall furnish to or for the benefit of Seller an insurance policy covering all such Goods against all forms of loss until the purchase price therefore has been fully paid. Any such insurance policy shall name Seller as a loss payee for the full value of the Goods, and in the event Customer fails to provide such insurance, Seller may at its option initiate coverage under such insurance and bill all expense therefore to Customer.

4. Changes in Terms, Specifications or Schedules. Upon acceptance, these terms and conditions shall constitute a binding contract between Customer and Seller, which may not be altered or amended, except as otherwise herein provided, except by an amendment or other document signed by both Seller and Customer. However, if Customer or its agent makes any changes in the purchase order or the specifications or schedules applicable to the Goods, and such changes affect the cost or time required for performance, Seller shall be entitled to receive in addition to the agreed purchase price all such additional costs required for performance. These terms and conditions, and the purchase order or other document to which they are appended, constitute a complete expression of agreement between the parties with respect to the subject matter thereof, and all promises or representations made by Seller, its agents, employees or other authorized representatives are deemed merged and consolidated into these terms and conditions. No promise or representation made by or on behalf of Seller which is contrary to these terms and conditions and the purchase order to which they are appended is binding upon Seller.

5. Warranties of Seller. Seller warrants to Customer that the Goods will conform to drawings, specifications, representations or samples which are specifically incorporated by reference into this document or are set forth in a purchase order which Seller has affirmatively accepted, and will be free from defects in Seller's workmanship.

WITH RESPECT TO GOODS FURNISHED BY SELLER WHICH ARE NOT MANUFACTURED BY SELLER, SELLER MAKES NO WARRANTY OF ANY KIND WHATSOEVER, EXPRESSED OR IMPLIED, AND CUSTOMER AGREES THAT THE SOLE WARRANTY APPLICABLE TO SUCH GOODS SHALL BE THAT FURNISHED BY THE MANUFACTURER THEREOF. SELLER MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESSED OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WHICH EXCEED THE FOREGOING WARRANTY OBLIGATIONS ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS AGREEMENT.

If defects occur which are the responsibility of Seller, as the exclusive remedy therefore, the Goods will be either repaired or replaced without charge at the option of Seller, provided such defects are brought to Seller's attention within 90 days following delivery. Seller's liability therefore is limited to the sale price of the defective Goods. In no event shall Seller be liable for incidental or consequential damages, or for expense occasioned by use of defective Goods. Seller's liability as set forth above shall not be extended because of advice given by Seller in connection with design, installation or use of any Goods. Customer assumes responsibility for the specifications of the Goods and their suitability for the use to which they are to be applied, and Seller makes no warranties or representations with respect thereto. Customer agrees to indemnify Seller against claims by Customer, its customers, designees, transferees or others based on defects in design or specifications and against recoveries beyond limitations herein, and Customer shall include in any contract for resale provisions with respect to limited recoveries against Seller in accordance with this paragraph.

6. Designs, Patterns and Special Tooling. Title to and the right of immediate possession of drawings, software, designs, patterns, tools or other material produced by Seller for the purpose of producing the Goods shall remain in Seller. Neither the Goods nor work performed in connection with production of the Goods shall constitute a work for hire. Copyrights, trademarks, patents, trade secrets and other intellectual property resulting from production of the Goods, including illustrations, drawings, calculations and other related documents prepared by Seller in connection with production of the Goods, shall be and remain the property of Seller.

7. Customer's Ability to Perform. Failure to make payments at the times provided shall be a bar to any claim by Customer for delay in completion of the work or for breach of warranty. All account balances due to Seller from Customer are reconfirmed and incorporated into the price for the Goods.

8. Controlling Law. The Contract which may result from acceptance or performance hereunder shall be governed by the laws of the State of Indiana. All litigation over the Goods or these terms and conditions shall be conducted in Allen County, Indiana.

9. Authority. Any person executing these terms and conditions or the purchase order to which they are appended is warranted by Customer to have full and complete authority to obligate Customer to these terms and conditions and the purchase order to which they are appended. In the event Customer defends any action based upon an alleged lack of authority of such person, such person who signs these terms and conditions or the purchase order to which they are appended shall be deemed personally liable for all obligations of Customer hereunder.

If Applicable please request a Trademark Use Agreement which will be attached and require signature.

I hereby certify that the information shown on the above pages is true and correct to the best of my knowledge. Furthermore, I have read and will abide by the terms set forth above.
