Dear Pro Shop and Bowling Center Operator,

Here it is, the 2015-16 BBIA Industry Catalog. It's our fourth volume. The Catalog is a result of manufacturers and distributors working together to achieve a common goal. That goal is to provide pro shop and bowling center owners with a well-organized, easy to read, professional catalog that both you and your customers can enjoy.

There is little difference between this edition and last season's. But there are a few policies that are worth repeating:

#1) Replacement copies of the Catalog will no longer be sent out by our production company (Luby Publishing). Instead, if you are missing a copy, or need to order an additional copy, please contact your local BBIA distributor.

#2) Remember, the Catalog is now online; feel free to inform your customers. To access the online version, go to the BBIA website, then click on the Catalog cover, at: **billiardandbowling.org**.

I wish you a successful and prosperous bowling season — enjoy the 2015-16 BBIA Catalog!

Jeff Mraz
