Display Signs

CLABPCSDRY Dry Erase **CLABPCSCHALK** Chalkboard
32 Inch Bowling Pin Changeable Signs

Versatile, heavy duty custom signs routed from 1/8" Dibond Material with full color digital print. Available with Chalkboard or Dry Erase material so you change your message as often as you like. Single or double sided. Attach to wall or hang from ceiling.

CLASAFS
Changeable A-Frame Sign

Heavy duty, indoor-outdoor, free standing two sided A-frame sign. Routed from 1/2" thick MDO. Full color graphics with your logo and hundreds of backgrounds to choose from. Built in chalkboard for custom messages.

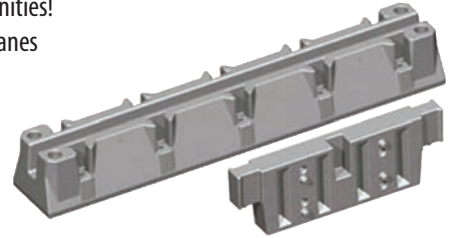

Profit Platform

A great way to utilize your business's square footage during the summer and other down times. Even when the bowling is slow, use your space for profit by booking weddings, concerts, class reunions and other special events, the profit platform makes it possible.

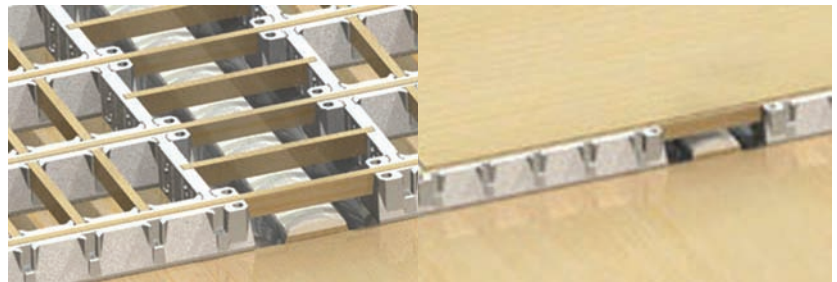

Imagine the opportunities!

- Live Bands on the Lanes
- Karoke Stage
- Dance Floor
- Display area
- VIP Party Lounge
- Corporate Events
- Temporary Seating Area
- Temporary Storage

The simple two component design links together down the lane and 2 x 4's bridge across lanes to link up assemblies. Just add a plywood floor. Make your platform and profits as large as you want.

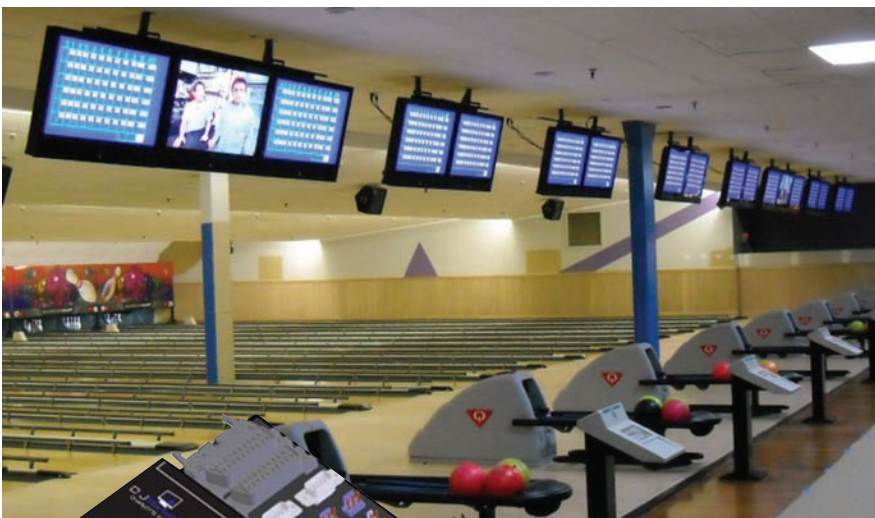

Lumber and Plywood not included.

Evolution Scoring

UPGRADE your bowling center to the latest technology at a fraction of the cost of new scoring. Most legacy scoring systems suffer from the same problems: proprietary and antiquated display monitors. The EVOLUTION upgrade will give you the ability to use most commercially available monitors with your existing scoring system.

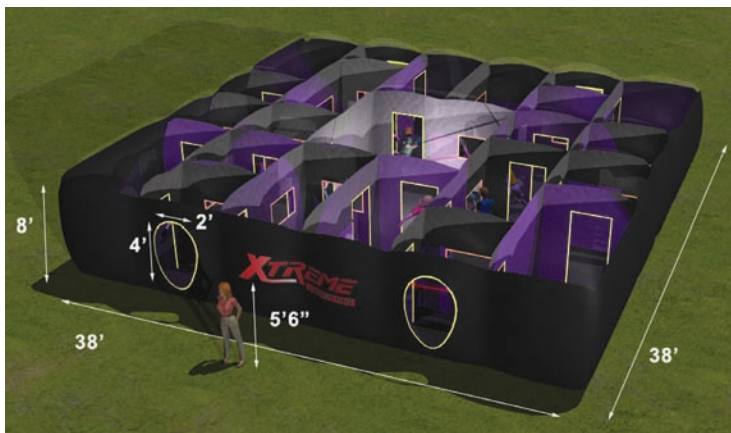

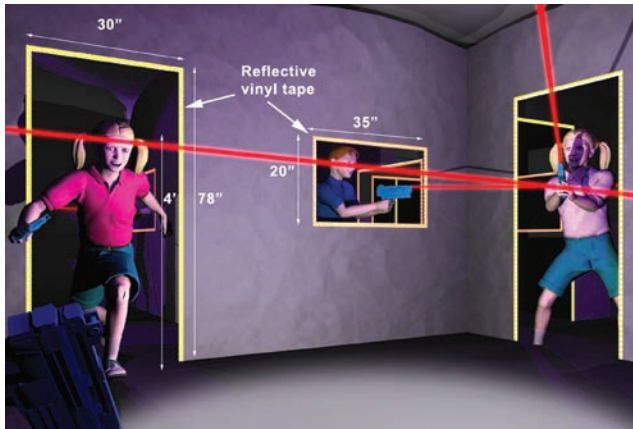

- Simple to install
- Virtually no down time.
- Maintain familiar keypads.
- Maintain familiar staff controls.
- Cost efficient.
- Passive engineered system.
- Modernize your center.
- Increases customer satisfaction.
- Lower maintenance costs
- 3 Year Warranty

Contact Classic Products for more information.

Indoor Inflatable Laser Tag

Generate revenue from unused lanes with Inflatable Laser Tag.

- Great for parties.
- Requires 6-8 lanes temporary installation or permanent.
- Installs in 1 day with 6 people after the first installation.
- No need to modify or remove any bowling equipment.

BLACK-48BLB 48 Inch
High output, black light w/tube fixtures.

Eco UV Bar Plus EC0838
Pro version in new extruded aluminum casing. Now even brighter. 1 meter UV bar with 18 x 3 watt LED's. On/Off switch on rear panel.

UV Panel
High powered UV panel. 160W of UV light in a compact case design.

Club Lighting

LED Color Tube
Rainbow LED tube effect, wireless remote included

LED Color Ball
Rainbow LED ball shaped effect, wireless remote included

B6B Blue Police Beacon
B6B Red Police Beacon
LED police beacon light. Variable speed.

Lane Machines

Kegel Kustodian Ion Walker

KE175500D

The Kustodian Walker literally does the lanes for you. Just select the pattern you want and press the button.

- Sanction Technology Conditioning System
- Patented Sprayless Cleaning System
- Battery powered for hassle-free operation
- Lithium-ion batteries last up to 80 lanes
- Recharge up to 2000 times before battery replacement
- Zero Turn Radius lane to lane function
- Front Sensors "Auto-Align" the machine on the lane
- Pocket KOSI & PDA are included
- Bluetooth® wireless ready

Kegel Kustodian Ion

KE175400D

Cut the cord. The Kustodian Ion is battery powered so you no longer need to hassle with the cord during use. Just set it on the lane and press the button.

- Sanction Technology Conditioning System
- Patented Sprayless Cleaning System
- Battery powered, hassle-free operation. Also operates on cord if needed.
- Dry cell batteries last up to 40 lanes per charge
- Recharge up to 400 times before battery replacement
- KOSI is included to make pattern adjustments easy
- Bluetooth® wireless ready

Kegel Crossfire

KE175200: 6 Pad KE175208: 8 Pad

The Crossfire is a compact, durable and highly functional lane machine at an affordable price.

- Battery Operated: Two dry-cell batteries can last up to approximately 40 lanes per charge, Recharge as many as 400 times before battery replacement with proper maintenance
- Cleans & conditions lane in a little over 1 minute
- On-board keypad programming
- 4 Pre-set programs for lane play flexibility
- 3 Drive Speeds to help adjust lengthwise taper
- Ability to change wick distances
- Kegel's patented cleaning system uses spray-jet cleaner application, fresh cleaning cloth on every lane and a squeegee/vacuum motor set-up for maximum performance
- Innovative Cam System eliminates the need for pad solenoids
- Compact Design

Kegel Kustodian Plus

KE175100

The Kustodian PLUS incorporated major improvements over past Kustodian Models. The Conditioner system has been simplified to be easier to clean and maintain while eliminating zig-zag effects when pulling tapes.

- Conditioner Transfer System
- New "Spray-less" Cleaning System
- Cleans up to 40 lanes
- KOSI is included to make pattern adjustments easy

FLEX

Kegel Flex

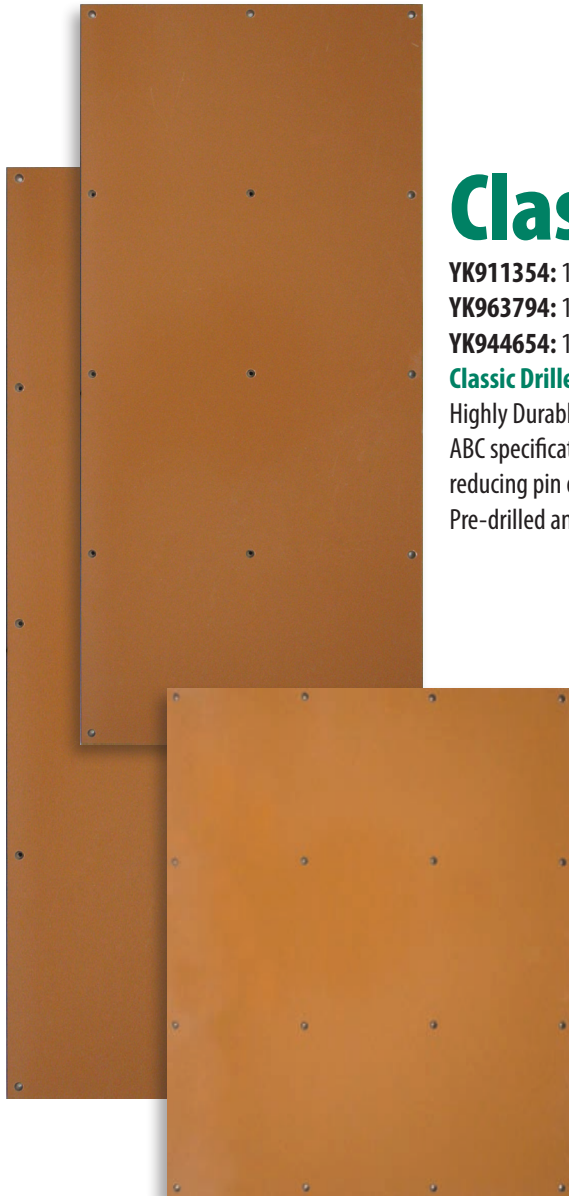

The new lane machine from Kegel coming Summer 2013

Brunswick Envoy

BR804000002

The Envoy has everything your center needs and the ability to create any shot your bowlers expect. So simple to use that a new employee can run it.

- Direct+ conditioning takes away the variation that comes with transfer system machines.
- Graphical User Interface makes it simple to program and easy to operate.
- The cleaning system with its unique V-shaped squeegee, assures your lanes are thoroughly clean so the shot is consistent.
- FlexPower gives you the option of running on AC or two different types of battery power.
- Only requires 15 minutes of daily maintenance.
- Two-year warranty

Classic Lane Parts

YK911354: 15" x 33" fits all AMF and early model Brunswick.

YK963794: 16" x 40" for late model Brunswick.

YK944654: 19" x 23 3/4" for Brunswick.

Classic Drilled Phenolic Kickback Plates

Highly Durable. Restores your kickbacks to ABC specifications. Improves scorability while reducing pin damage.

Pre-drilled and easy to install.

CLA420480 Classic Heavy Duty Edge Boards 1" x 2 1/2" x 46" (each).
