### Twister Synthetic Bowling Pins TWISTERPINSET

USBC Approved. Financing available.

#### LONGER LIFE — LESS MAINTENANCE

Twister® has a much longer life than conventional wood pins so they won't need to be replaced as often, and additional rotation sets won't need to be purchased. All of this adds up to big savings

#### COMPARE THE COST PER LINE

The overall cost per line of the Twister® are less than with any other pin on the market.

#### ONE OF THE BEST WARRANTIES

2 year PIN for PIN manufacturer's warranty from date of purchase.

#### HIGHEST NECK STRENGTH

The neck area is extremely strong. It exceeds the dynamic break resistance of wood pins by far.

#### CONSISTENT SCORABILITY

Since its shape hardly changes while in play, the Twister® retains its original properties during its life. Scoring levels remain the same and bowlers can expect the same pin action from day one!

#### GLOWS UNDER BLACK LIGHTING

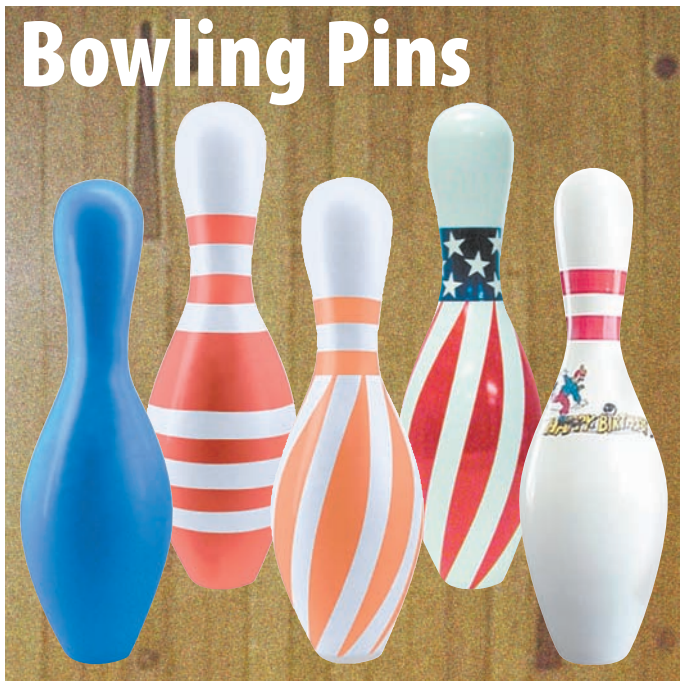

The white body and red stripes glow under the appropriate black lighting and work with all automatic scoring systems. Twister® is the only pin with glow-stripes in real red.

### Pin Fork

JAY15-8100

66" long pin fork for respotting pins and clearing dead wood off of pin decks.

Customers judge your business by the cleanliness of your bathrooms. If your restroom is in poor shape then it is assumed the rest of your business is in poor shape. WizKid helps keep your restroom looking cleaner and smelling better. It's like having a restroom attendant 24/7 to clean up where your customers left off.

The WizKid is the restroom mat that stops odors before they start. The antimicrobial fibers inhibits the bacteria from growing and spreading. The polypropylene fibers allow the urine to air dry after neutralizing the odor causing enzymes. It's maintenance free and lasts up to a month or more depending on traffic. It's affordable, durable and something you would like to see in any restroom.

# Kegel Lane Machines

## Kegel Kustodian Plus

The Kustodian PLUS incorporated major improvements over past Kustodian Models. The Conditioner system has been simplified to be easier to clean and maintain while eliminating zig-zag effects when pulling tapes.

- Conditioner Transfer System
- New "Spray-less" Cleaning System
- Cleans up to 40 lanes
- KOSI is included to make pattern adjustments easy

## Kegel Crossfire

The Crossfire is a compact, durable and highly functional lane machine at an affordable price.

- Battery Operated: Two dry-cell batteries can last up to approximately 40 lanes per charge, Recharge as many as 400 times before battery replacement with proper maintenance
- Cleans & conditions lane in a little over 1 minute
- On-board keypad programming
- 4 Pre-set programs for lane play flexibility
- 3 Drive Speeds to help adjust lengthwise taper
- Ability to change wick distances
- Kegel's patented cleaning system uses spray-jet cleaner application, fresh cleaning cloth on every lane and a squeegee/vacuum motor set-up for maximum performance
- Innovative Cam System eliminates the need for pad solenoids
- Compact Design

## Kegel Flex & Flex Walker

FLEX is Kegel's most sophisticated and technologically advanced lane machine. Its modern design makes a bold statement, and the new DUO conditioning system under the lid backs it up. This DUO conditioning system combines Sanction® Technology with dual conditioner tanks, making it the first lane machine to give you the benefit of easily using more than one lane conditioner in your center. Use one conditioner, two conditioners, or even mix compatible conditioners in one pass!

- DUO conditioning system: Two oil pumps, Two conditioner cartridges
- DUO transfer system
  - Enhances the smoothness of the pattern
  - Residual oil burns out quickly for easy pattern changes
- Two pre-filled/refillable conditioner cartridges - allows for separate conditioner on forward and reverse oiling
- Ability to use two compatible lane conditioners in one pass
- Per load adjustable microliter streams per for more control within each pattern

# Brunswick Lane Machine

## Brunswick Envoy

The Envoy has everything your center needs and the ability to create any shot your bowlers expect. So simple to use that a new employee can run it.

- Direct+ conditioning takes away the variation that comes with transfer system machines.
- Graphical User Interface makes it simple to program and easy to operate.
- The cleaning system with its unique V-shaped squeegee, assures your lanes are thoroughly clean so the shot is consistent.
- FlexPower gives you the option of running on AC or two different types of battery power.
- Only requires 15 minutes of daily maintenance.
- Two-year warranty
