## BOWLING PINS

### Twister Synthetic Bowling Pins TWISTERPINSET

USBC Approved. Financing available.

#### LONGER LIFE — LESS MAINTENANCE

Twister® has a much longer life than conventional wood pins so they won't need to be replaced as often, and additional rotation sets won't need to be purchased.

#### COMPARE THE COST PER LINE

The overall cost per line of the Twister® is less than any other pin on the market.

#### ONE OF THE BEST WARRANTIES

2 year PIN for PIN manufacturer's warranty from date of purchase.

#### HIGHEST NECK STRENGTH

Extremely strong neck area exceeds the dynamic break resistance of wood pins by far.

#### CONSISTENT SCORABILITY

Twister® retains its original properties during its life. Scoring levels remain the same and bowlers can expect the same pin action from day one!

#### GLOWS UNDER BLACK LIGHTING

Body and stripes glow under the appropriate black lighting and work with all automatic scoring systems. Twister® is the only pin with glow-strips in real red.

# MP+

Meet the CLASSIC MP+ family of maintenance products: **Cleaner, Pin Deck Treatment, Shoe Deodorizer, Approach/Pin Deck Cleaner, and Pinsetter Cleaner.** Maintenance Products formulated to give you superior results at a price that won't break your budget, **PLUS** the quality and reliability that you expect from Classic.

## CLAMPPLUS05 MP+ Multi Purpose Cleaner

Classic Multi Purpose Cleaner for lane stripping machines is the ideal cleaner for any type of lane surface or finish. Gets lanes clean the first time leaving no messy film or residue. Can even be diluted to perform various cleaning jobs around your entire center. Sold by 5 gallon (Two 2.5 gallon containers)

## CLAMPDQT MP+ Pin Deck Treatment

Formulated to increase the friction between the Pin and the surface so pins don't get out of range during play. Significantly reduces the need for action by maintenance personnel thereby slowing the game. Spray onto clean pin deck as needed each day or so. Making sure pins sit in the treated area once placed. Will withstand most cleaning operations of the lane at least one time. USBC Approved.

## CLA34EA MP+ Shoe Deodorizer

Use Classic MP+ Shoe Deodorizer for removing odors from rooms and rental shoes. Available individually or 12 per case in 15.5 oz cans.

## CLAMPAPDCGAL

### MP+ Approach/Pin Deck Cleaner

MP+ Approach/Pin Deck Cleaner is the formulation for complete removal of MP+ Pin Deck Treatment. MP+ Approach/Pin Deck Cleaner is a flammable solvent blended for multipurpose use. Use it to clean approaches and pin decks. Leaves surfaces with no residue and dries within seconds. Simply spray onto pin deck or approach and wipe dry with a clean cloth or paper towel. USBC approved.

## CLAMPPCGAL

### MP+ Pinsetter Cleaner

MP+ Pinsetter Cleaner is formulated to degrease everything in the back end of the house. Non hazardous, Non flammable, Non Toxic and Biodegradable. Use this strong cleaner to degrease your pin setters and more. Concentrated enough to use between 2 oz per gallon of water up to 16 oz per gallon of water depending on your need.

Customers judge your business by the cleanliness of your restrooms. If your restroom is in poor shape then it is assumed the rest of your business is in poor shape. WizKid helps keep your restroom looking cleaner and smelling better. It's like having a restroom attendant 24/7 to clean up where your customers left off.

The WizKid is the restroom mat that stops odors before they start. The antimicrobial fibers inhibits bacteria from growing and spreading. The polypropylene fibers allow the urine to air dry after neutralizing the odor causing enzymes. It's maintenance free and lasts up to a month or more depending on traffic. It's affordable, durable and something you would like to see in any restroom.

**WizKid Splash Hog**

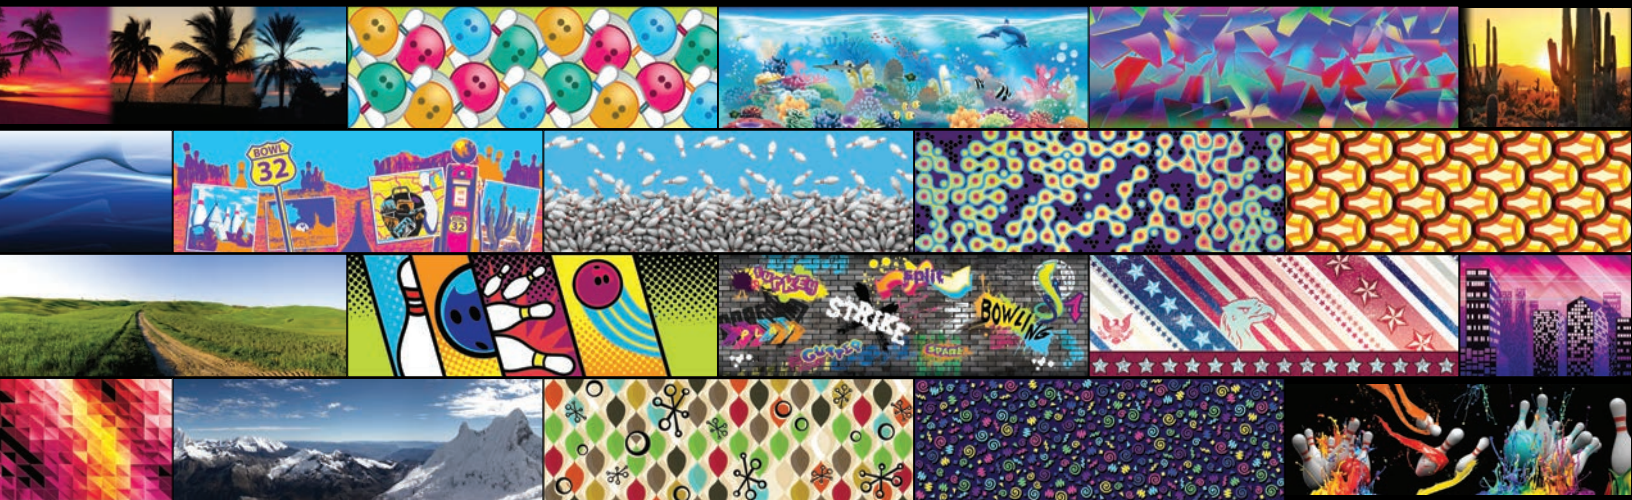

**WZKDSH Splash Hog**

The Splash Hog is a highly functioning urinal screen that stops splash back where guys actually go, deodorizes the restroom for sixty days.

- Keeps urine in the urinal! The Hedghog-Like Spines drastically reduces back splash and replaces the need for a Room Deodorizer.
- Loaded with a Powerful 60 day Fragrance. (Mango, Clean or Cucumber/Melon Scent)
- Held in place with 3 suction cups.

## Kegel Lane Machines

### Kegel IKON

The IKON is a battery powered combination lane machine that incorporates Kegel's proven technology with the modern styling of our latest machine, the FLEX.

The IKON uses Sanction Technology for the conditioning system which is reliable, verifiable, and accurate to  $\pm 1\%$  with continued precision of  $\pm 0.5\%$  after millions of cycles.

For cleaning, the IKON utilizes a sprayless system, which cleans the lane without any overspray into the gutters keeping your customers and pinsetters cleaner.

Kegel's patented conditioning and cleaner systems are the only ones that can be checked and verified before you begin lane maintenance - now that's peace of mind

- Sanction Technology Conditioning System with forward and reverse capabilities.
- The popular and easy to maintain DUO Transfer System enhances the smoothness of the pattern and allows for easy pattern changes.
- Patented Sprayless Cleaning System - No overspray in the gutters.
- The onboard PLC uses a 3.5 inch color touchscreen which makes it easy to monitor and adjust machine settings.
- The IKON PLC holds 15 patterns of your choice.
- Choose from 3 different size Lithium Ion batteries based upon your bowling center's needs or number of lanes ran per day.

## Brunswick Lane Machine Brunswick Max

The Max features Brunswick's Direct+ Conditioning system, built to deliver superior performance, reliability, and consistency. Designed to make lane care easy, Max is intuitive to operate, reliable, and customized for the needs of bowling centers around the world.

The Direct+ injection system provides individual board-by-board application for superior pattern consistency. The pattern application is not dependent on machine speed or applying oil on the return pass, so complicated patterns can be laid quickly and precisely.

### Kegel Flex & Flex Walker

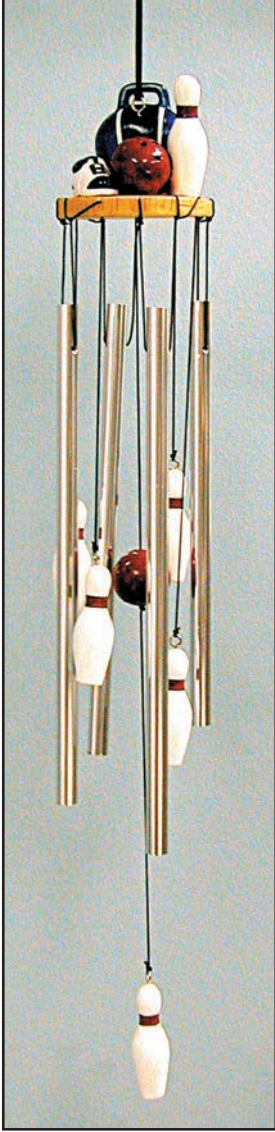

FLEX is Kegel's most sophisticated and technologically advanced lane machine. Its modern design makes a bold statement, and the new DUO conditioning system under the lid backs it up. This DUO conditioning system combines Sanction® Technology with dual conditioner tanks, making it the first lane machine to give you the benefit of easily using more than one lane conditioner in your center. Use one conditioner, two conditioners, or even mix compatible conditioners in one pass!

- DUO conditioning system: Two oil pumps, Two conditioner cartridges
- DUO transfer system.
- Two pre-filled/refillable conditioner cartridges - allows for separate conditioner on forward and reverse oiling.
- Ability to use two compatible lane conditioners in one pass.
- Per load adjustable microliter streams per for more control within each pattern.
