SOLES & HEELS TIPS

Shoe Care Recommendations

- Inspect soles and heels for dirt or contamination.
- Always use shoe protectors when off the approach.
- Soles and heels should be replaced as soon as possible if there is any indication that they are not securely attaching onto the shoes.
- Inspect soles and heels for excessive wear and replace when necessary.
- Shoes should be stored in a cool, dry, and well ventilated area as trapped moisture and extreme heat or cold can cause damage.

Use a Lower Heel Number Than Sole Number

Because you brake with your heel, use a heel with more friction (a lower number) than the sole. An exception would be if you bowl best with a heel that has the same number as the sole. Using a higher heel number than sole number is possible but not recommended for general approach conditions.

Custom Traction Heel Height

Exclusively with the Dexter SST 8's you can customize your traction shoe heel height by interchanging heels to correspond exactly to the height of your slide foot.

Break In Your Soles & Heels

When changing either the soles or heels of your SST shoes Dexter recommends that you use caution when trying the new combination for the first time. Taking several practice slides on the approach without holding a ball will allow the bowler to predict how the reconfigured shoes will slide on the current approach conditions before throwing the next ball.

Avoid Replacement Sole Peel-Back

When attaching a sole to the SST's make sure that the sole's leading edge is first aligned with the front of the Velcro® area ONLY. Note that on the SST8 the leather toe bumper will extend another 2mm in front of the sole bottom thereby protecting the leading edge of the sole from peel-back.

SST TECHNOLOGY

RIGHT/LEFT CONVERTIBLE

Exclusively with our SST 8. This feature allows for left handed and right handed bowlers to easily switch traction feet and customize their traction and heel height options.

SE / LZ

Performance SE / LZ series shoes are made using high quality natural and full-grain leathers, which are soft and supple yet maintain their sporty good looks game after game. The SST 6 LZ features an extended base width on the outer side of the slide shoe to provide a more stable slide surface.

SST TANK

The exclusive SST Tank technology is built with Goodyear® high abrasion rubber stitched to the upper to provide long-lasting durability to support the most aggressive bowlers. It offers a customized *Tank Tread Heel Zone* and *Aero-Grip Sole* for a tougher and superior grip on the lanes. It also features a unique *Power-Pivot* zone to maximize push-off on the lanes. The SST Tank has a distinctive Steve last that provides a close fitting round toe for a secure fit.

SST FIT GUIDE

Men's & women's performance lasts. Find the fit that's right for you.

WOMEN'S

SST 8 Last: SÖFFT

The women's SST8 (Söfft) last is a modern last with wide spaded ball and elongated toe.

SST Last: ALI

The women's SST (Ali) last is a traditional athletic last with close fitting round toe.

MEN'S

SST 8 Last: RÜHNE

The men's SST8 (Rühne) last is a modern last with wide spaded ball and elongated toe.

SST 8 SE Last: DOMINATOR

The men's SST8 (Dominator) is a competitive bowling last with straight shank and broadly rounded forefoot shape.

SST 6 Last: ESCAPE

The men's SST6 (Escape) last is an ergonomic last with wide oblique toe.

SST1 & Tank Lasts: STEVE

The men's SST Tank/SST1 (Steve) last is a traditional athletic last with close fitting round toe.

MAX POWERSTEP T3+

Only Available for Bowling Shoes w/ Removable Traction Sole Technology

- Designed for the "Power Player" who needs extra protection for their push-off shoe during aggressive play.
- Goodyear™ Non-Marking rubber sole provides T3 standard traction.
- Full rubber sidewall construction provides extra protection from sole separation caused by toe or side foot drag.
- Solid full thickness rubber perimeter design provides extra protection and durability for the sole bottom edges and the sides of midsole in forefoot.
- Adjustable upper strap attachment system works independently of the current bottom hook and loop closure.

PD1110 - Men's Medium (9 - 12)

PD1112 - Men's Large (13 - 15)

Congratulations to the ***2013***

Dexter/USBC High School All-American Team
on their scholastic and athletic achievements

**DEXTER/USBC HIGH SCHOOL
ALL-AMERICAN TEAM**

Dexter/USBC High School All-American Team

BACK ROW: Derick Holmes, Jordan Nash, Matthew Kinn, Joshua Krueger, Eric Swanson
FRONT ROW: Shelly Goodwin, Giselle Poss, Sierra Kanemoto, Lauren Kryvvy, Brooke Wood

Five male and five female USBC High School members are selected annually for the Dexter/USBC High School All-American Team and a \$1,000 scholarship.

As a high school bowler, your selection to the Dexter/USBC High School All-American Team is based on your bowling accomplishments, academic achievement, letters of recommendation, extracurricular and community involvement, submitted essays and resumes. Minimum requirements for selection include a 3.0 grade point average on a 4.0 scale (or equivalent) and at least one letter of recommendation.

Dexter®

is a proud sponsor of

TEEN MASTERS™

The PBA World Series of Bowling in Las Vegas was the setting for ESPN's coverage of the 2013 Teen Masters Grand Championship! Eight boys and girls survived months of qualifying and a week-long national finals to advance to America's premier high school championship event.
